ALEXANDRIA, VA., THURSDAY EVENING, SEPTEMBER 12, 1907.

PRICE 2 CENTS.

## If You Read This

It will be to learn that the leading medical writers and teachers of all the several schools of practice recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, "liver complaint," torpid liver, or biliousness, chronic bowel affections, and all catarrhal diseases of whatever region, name or nature. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their results, as bronchitis, throat and lung disease (except consumption) accompanied with severe coughs. It is not so good for acute colds and coughs, but for lingering, or chronic cases it is especially efficacious in producing perfect cures. It contains Black Cherry bark, Golden Seal root, Bloodroot, Stone root, Mandrake root and Queen's root—all of which are highly praised as remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholin, of Jefferson Med. College; Prof. Hager, of the Univ. of Pa.; Prof. Finner, of Chicago; M. D., of Bennett Med. College, Chicago; Prof. John King, M. D., of Cincinnati; Prof. John M. Scudder, M. D., of Cincinnati; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago, and scores of other equally eminent in their several schools of practice.

The "Golden Medical Discovery" is the only medicine that has any such professional endorsement, more than any other medicine, and is the best possible guaranty of its merits. A glance at this published formula will show that "Golden Medical Discovery" contains no poisons, harmful or habit-forming drugs and no alcohol—chemically pure, triple-refined glycerine being used instead. Glycerine is entirely unobjectionable and besides is a most useful agent in the cure of all stomach, as well as bronchial, throat and lung affections. There is the highest medical authority for its use in all such cases. The "Discovery" is a concentrated glyceric extract of native medicinal roots and is safe and reliable.

A booklet of extracts from eminent medical authorities, endorsing its ingredients mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y.

## ANOTHER ARREST.

Another arrest was made in Norfolk  
yesterday in connection with the murder  
of the wife of Lieut. Frank Rorschach,  
U. S. N., by a burglar, and the Norfolk  
county authorities who effected it believe  
that it will turn out to be important in  
shedding light upon the identity of the  
perpetrator of the crime.

The suspect gave his name as William  
Shields, and has excited suspicion by his  
actions since Tuesday morning and by the  
statements he has made about the crime.

To the officers he denied any knowl-  
edge of the murder, but told conflicting  
stories about his own movements.  
As in the case of Archer, another sus-  
pect, Shields' hat is figure as evidence.  
It is covered with brownish red spots,  
which may or may not be blood spots.  
Evidence against Thomas Archer is given  
by Mrs. Quinton Overman, who tells of  
seeing either a white man or a mulatto  
run down Bay street to the water at the  
foot of the street at 4 o'clock Tuesday  
morning. There she saw the man stoop  
down and begin washing his hat and  
shoes as well as his other garments in the  
salt water of Scott's Creek.

The shoes of Archer have been care-  
fully examined by W. T. Mayo, whom  
the mayor called in as an expert, and he  
stated, as his opinion, that the leather had  
been wet in salt water.  
The authorities have requested the  
city bacteriologist, Dr. Joseph Grice, to  
make a chemical analysis of the brown-  
ish red spots on the hat belonging to the  
suspect and which look suspiciously like  
blood.

## BOY FATALLY INJURED.

Six boys, who attempted to steal a  
ride on the limited train on the Santa Fe  
road, reached Joliet, Ill., yesterday after  
an exciting experience. One of them,  
Robert Bullock, whose home is in Rich-  
mond, Va., sustained a fracture of the  
skull and may not recover. The other  
boys gave their names as Edward Smith,  
James Brady, Harry Jones, Leslie Ach-  
son and Robert Arntz, and declared that  
their homes are in Cincinnati. They  
climbed on the train as it was leaving  
Chicago, and lay down on the roof of  
the first car. When the train attained  
full speed after leaving the city limits,  
the boys narrowly escaped being tossed  
over the edge and managed to cling on  
only with the greatest difficulty. All of  
them were badly burned by hot cinders  
from the engine, and finally young Bul-  
lock, screaming that he could not stand  
it any longer, attempted to rise. The  
train just then passed over a bridge and  
Bullock's head came in contact with the  
superstructure with terrific force. He  
was dashed to the edge of the car  
inensible and was saved from falling by  
Jones, who seized his clothing. All of  
the boys appear to have come from good  
homes.

## Had Tetter for Thirty Years.

I have suffered with tetter for thirty  
years and have tried almost countless  
remedies with little, if any, relief.  
Three boxes of Chamberlain's Salve  
cured me. It was a torture. It breaks  
out a little sometimes, but nothing to  
what it used to be.—D. H. BEACH,  
Midland City, Ala. Chamberlain's  
Salve is for sale by W. F. Creighton  
& Co., and Gibson & Timberman.

## NON-UNION MEN SHOT.

As the result of an attack made on  
non-union car men in San Francisco by  
a crowd of strike sympathizers at an  
early hour yesterday morning, five men  
were injured and are now in a hos-  
pital.

The trouble occurred when a wrecking  
car of the United Railways, on which  
were about fifteen men, were approach-  
ing the car barns. As the car was pass-  
ing a tent occupied by union pickets,  
stones were thrown at it, and shots were  
fired by some of the car men, but no one  
was hit. The car continued on its way  
to the barns, where the crowd had as-  
sembled.  
Policemen R. L. Wade, J. W. Miller,  
and A. Bigelow appeared on the scene  
and ordered the men not to shoot. It  
is said that this command was disre-  
garded, whereupon the police used their  
revolvers, five of the car men being  
wounded.  
The police report casts all the blame  
on the non-union men.

## A Humane Appeal.

A humane citizen of Richmond, Ind., Mr.  
U. D. Williams, 107 West Main St., says: "I  
appeal to all persons with weak lungs to take  
Dr. King's New Discovery, the only remedy  
that has helped me and fully comes up to the  
proprietor's recommendation." It saves more  
live than all other throat and lung remedies  
put together. Used as a cough and cold cure  
the world over. Cures asthma, bronchitis,  
croup, whooping cough, quinsy, hoarseness,  
and phthisis, stops hemorrhage of the lungs,  
and builds them up. Guaranteed by E. S.  
Leadbeater & Sons, druggists, 50c and \$1.00.  
Trial bottle free.

colic and is the best remedy for Diarrhoea. Is  
pleasant to the taste. Sold by druggists in

bottle. Its value is incalculable. Be sure  
and ask for Mrs. Winslow's Soothing Syrup  
and take no other kind.

June 30th, 1906. Serial number 1098.

## CZAR'S YACHT ON ROCKS.

The Russian imperial yacht Stand-  
art, with Emperor Nicholas and Em-  
press Alexandra and their family aboard,  
is fast on the rocks off Horse, a point  
on the coast west of Hango, Finland.  
The yacht is apparently in no danger as  
the emperor and his family remain on  
board.

The Standart ran upon the rocks,  
which were submerged at high tide, at  
4:30 o'clock yesterday afternoon and re-  
mained fast. A steam lifeboat from  
Reval, on the Gulf of Finland, has ar-  
rived upon the scene and seven  
torpedo boats, which have been escort-  
ing the imperial yacht on its tour in  
Finnish waters, are standing by to ren-  
der assistance if needed.

A dispatch from Helsingfors which  
was sent before the grounding of the  
royal yacht says the Standart, escorted  
by warships, sailed Tuesday afternoon  
from Malskals and passed Hango yester-  
day morning. She then entered the  
western fjord at Hango.

## LURED FROM THEIR HOME.

Corra and Alma Flick, aged 16 and 18  
years, respectively, yesterday appeared  
at police headquarters in Roanoke and  
said they had been lured from their  
home, at Craigsville, Augusta county,  
by a woman who said she lived at Staun-  
ton, but was coming to Roanoke to make  
her home, and that she would find profit-  
able employment for them in an office.  
The trio reached Roanoke Tuesday night  
and were met at the station by a closed  
cab, which drove them to a house in the  
tenderloin. The Flick sisters soon found  
that they were among women and men  
of a character foreign to their own. They  
were assigned to a room, and, once in-  
side, turned the bolt and refused to open  
the door in response to knocks and de-  
mands. At daybreak the two girls made  
their escape from the place and went to  
police headquarters, where they were  
cared for until train time, when they  
were sent back to Craigsville by the au-  
thorities.

Stomach troubles, Heart and Kidney ail-  
ments, can be quickly corrected with a  
prescription known to druggists everywhere as  
Dr. Shoop's Restorative. The prompt and  
surprising relief which this remedy im-  
mediately brings is entirely due to its Resto-  
rative action upon the controlling nerves of  
the stomach, etc.

A weak Stomach, causing dyspepsia, a weak  
Heart with palpitation of intermittent pulse,  
always means weak Stomach nerves or weak  
Heart nerves. Strengthen these inside or  
controlling nerves with Dr. Shoop's Resto-  
rative and see how quickly these ailments dis-  
appear. Dr. Shoop, of Racine, Wis., will  
mail sample free. Write for them. A test  
will tell. Your health is certainly worth  
this simple trial. Sold by E. S. Leadbeater &  
Sons.
